COOPERATIVE EDUCATION
ASSOCIATION**

**The 33rd Annual
SCHOLARSHIP PROGRAM
2007 Directory**

**CHARLES V. ROSICA
SCHOLARSHIP FOUNDER**

A NON-PROFIT PROFESSIONAL EDUCATION ASSOCIATION

Criteria For Student N.J.C.E.A. Scholarships

The purpose of the scholarship awards program is to select those outstanding students who best exemplify the attitudes; skills, personal decorum and overall standing in the student community that C.E. represents. Criteria for selection will include the following:

1. All students to be considered must be in the 12th grade, enrolled in a bona fide C.E. program, **and graduate** in June of 2007.
2. Coordinators who are members of the association as of December 31, 2006 are eligible to submit applications of student candidates.
3. Finalists will be required to attend a panel interview before the regional committee and submit the following documents, in a folder, at that time. Your regional scholarship chairperson will schedule the interview.
 - A. Two letters of recommendation from a school administrator, teacher, or counselor.
 - B. A letter of recommendation from his/her employer.
 - C. A student resume.
 - D. Students applying for an art school scholarship must bring at least three examples of related work along with the letters.
 - E. Optional documents (not required): transcripts, awards, projects, photographs, etc.
4. Scholarship recipients will be notified through their coordinators. Each scholarship winner is required to visit the school sponsoring the scholarship prior to May 31, 2007. Each school reserves the right to establish fees beyond tuition for books, equipment, etc. It is up to the student to inquire as to the total cost of the school program.

The New Jersey Cooperative Education Association is a non-profit organization. N.J.C.E.A. is not liable for any participating school changing the tuition, scholarship amount, registration fee, typing errors or school closings. A name and phone number follows each scholarship. Please contact the school directly if you have any questions regarding the information listed.
