2. Coordinators who are members of the association are eligible to submit applications of student candidates.
3. Finalists will be required to attend a panel interview before the regional committee and submit the following documents, in a folder, at that time. Your regional scholarship chairperson will schedule the interview.
 - A. Two letters of recommendation from a school administrator, teacher, or counselor.
 - B. A letter of recommendation from his/her employer.

Each school reserves the right to establish fees beyond tuition for books, equipment, etc. It is up to the student to inquire as to the total cost of the school program.

The New Jersey Cooperative Education Association is a non-profit organization. N.J.C.E.A. is not liable for any participating school changing the tuition, scholarship amount, registration fee, typing errors or school closings. A name and phone number follows each scholarship.
